Congratulations on your forthcoming wedding. In this brochure, you will find details of our wedding facilities, menus and information to help you plan the day of your dreams.

The Cedar Hotel is a traditional 18th century building retaining many original features. This, coupled with our tasteful décor and beautiful good sized gardens, makes it the perfect venue for your wedding reception and provides the perfect back drop for any occasion's photographs. We aim to make planning your special day as easy as possible, and are always on hand to make sure the day itself runs smoothly and is as memorable as it should be.

We have a range of menus to suit every taste and budget, and our highly trained staff will make sure you are delighted by the service and wonderful food prepared by our team. We can comfortably cater for up to 45 people for a Wedding breakfast and up to 100 for a buffet in the main building. Alternatively, you can have a bespoke marquee in our garden for larger parties which we source from a reliable company.

You may book our en suite bedrooms to accommodate you and your guests.

We understand that weddings are personal occasions. So we are always happy to discuss any alterations you may wish to make to our menus or any special requests that you may have.

We warmly invite you to visit the Hotel so we can show you around its facilities and grounds. Please make an appointment with us at any time.
